Quick links to important items

[illegible]

Main page, cont.

The screenshot shows the main page of the Naval Safety Center website. The header features the Naval Safety Center logo and the tagline "Work, Play, Live...Safely!". Below the header is a navigation bar with links: Home, About, CDR, Safety, Aviation, Marine, Acquisition, Personnel, Training, Department, Staff, and Site Map. The main content area is divided into several sections:

- NEW COURSE:** A section titled "NEW COURSE" with a description of a new course and a link to sign up.
- NAVY'S NEWS:** A section titled "NAVY'S NEWS" with a list of recent news items, including "New York's Navy" and "Navy's New".
- NAVY'S NEWS:** A section titled "NAVY'S NEWS" with a list of recent news items, including "New York's Navy" and "Navy's New".
- NAVY'S NEWS:** A section titled "NAVY'S NEWS" with a list of recent news items, including "New York's Navy" and "Navy's New".

The page also includes a search bar, a "CONTACT US" section, and a footer with various logos and contact information.

Presentations

- Dozens of briefings to use or customize
- Link is on Main page, left nav bar

The screenshot displays the Naval Safety Center website. The header features the center's logo and the tagline "Work, Play, Live...Safely!". A navigation bar includes links for Home, About, USN, Ashore, Afloat, Media, Acquisition, Resources, Training, Departments, Staff, and Site Map. The main content area is divided into two columns. The left column, titled "PRESENTATION CATEGORIES", lists various topics such as Presentation Home, Ashore's Safety Office Presentations, Ashore, Afloat, Rescue, Media/Magazines, BMC Safety Council, Occupational Safety and Health (OSH), Operational Risk Management (ORM), Survival/Relief, Statistics, and Safety Training Conferences. Below this is a "SEARCH OUR SITE" section with a search bar and buttons for "Submit Search" and "Reset". The right column, titled "SAFETY CENTER PRESENTATIONS", contains a description of the collection and a list of "NEW AND POPULAR ITEMS" with links to various presentations, including "Signs of the Times II", "Take a tour of this website", "The Wonderful World of Transport (or 'Gee, I sure wish I had a truck!')", "Drink Driving", "Boats and Ladders", "OSM in Real Life: Why They Have Safety Observers", "Releasing a Bear: Another Failure of Worst-Case Scenario Planning", "Why You Need Fall Protection", "Steadfastness (courtesy of 101 Air Force Base)", "Aggression Driving", "Road Safety", "Water Safety (courtesy of 101 Air Force Base)", "Life After Tragedy", "Under Age Drinking", "One Drink Too Many", and "How You Die in Seven Tenths of a Second". The footer includes contact information for the POC Webmaster, the last revision date (7/7/08), the last review date (7/7/07), and the approval by Code 70 Director. It also states that this is an official U.S. Navy Web site and provides links to the privacy policy, link disclaimer, privacy advisory, and accessibility info.

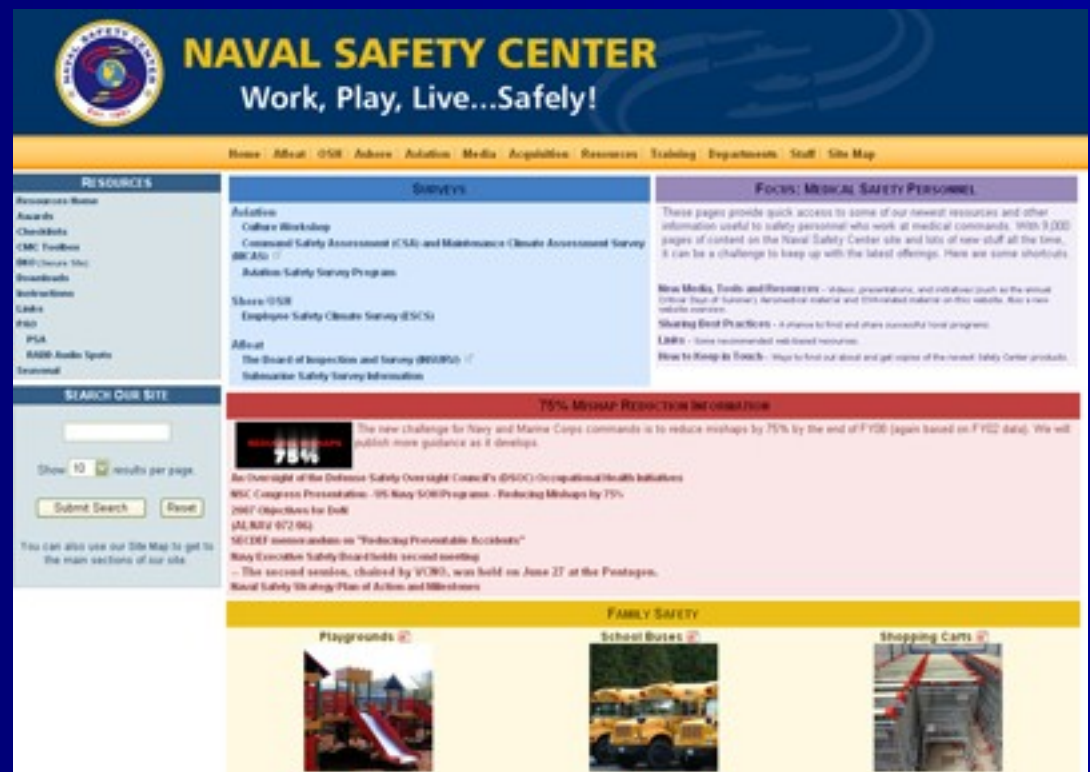

- Link is on Main page, left nav bar

A solid yellow arrow pointing diagonally upwards and to the right, set against a solid blue background.

Seasonal Resources

- Briefs, data, tools, info for focused areas
- Includes holiday material
- Link on main page

Best Practices

- Good ideas from around the fleet
- More than 200
- Categories: Aviation, Afloat, Ashore, Traffic, Tools
- Simple ideas to detailed programs
- Many items provide downloadable tools
- Icon on main page

Best Practices -- Tools

- Stand-down ideas from various commands
- Newsletter samples

Traffic Toolbox

- Source of dozens of resources for local programs
- Can download entire kit
- Link is on the main page, also under Ashore/Mo

The screenshot shows the Naval Safety Center website. At the top, there is a header with the text "Work, Play, Live ... Safely!" and "Naval Safety Center". To the left of the header is the Naval Safety Center logo. To the right of the header are links for "Site Map" and "Search". Below the header is a navigation bar with links for "Afloat", "Ashore", "Aviation", "Media", "OSH", "Services", "Training", and "Popular". The main content area is titled "Traffic Safety Toolbox". Below the title, there is a paragraph that says "Choose a section of the toolbox to view from the list below, or you may download the entire Traffic Safety Toolbox as a .doc file (625 Kb).". Below this paragraph is a "Toolbox Menu" section with two columns of links. The left column includes links for "TRiPS (Travel Risk Planning System)", "Navy", "Marines", "Drinking and Driving", "Trip Planning", "Mishaps", "Programs and Policy", and "Accountability and Enforcement". The right column includes links for "Stand Downs and Orientation", "Seatbelts", "Resources", "Publicity", "Quizzes", and "Other Items". On the left side of the screenshot, there is a sidebar with the heading "Ashore Resources" and a list of links including "Ashore home", "Explosives", "Training Safety Programs", "Investigations", "Motor Vehicle", "Recreation", "Tactical", "Articles & Messages", "Checklists", "Downloads", "Instructions", and "Presentations". Below this list is a section titled "Focus on Safety" with a link for "Navy ESB".
